2020 Renewal Information

For planning purposes, we are putting together guidelines for AgroExpo in 2020. These guidelines will be followed for next year's show.

- Exhibitors will have first right to keep 2019 location until January 1, 2020.
- We have included a show guide that has a map for your reference. The current show layout is how we plan to proceed going forward but reserve the right as growth may necessitate change.
- After January 1, 2020, additional requests that have been submitted will be assigned on basis of date of submission.
- Requests after January 1, 2020 will be processed on a first come first serve basis.
- Once renewal forms are received you will receive a completed (based on last year's info) Fillable PDF Registration Form via email. At that time, please review, edit the information, sign and return to The AgroExpo.
