

Introducing AgroExpo Virtual Farm Tour

In-person AgroExpo 2020 is Cancelled

Due to the circumstances related to COVID-19, we have made the difficult decision to forego the 2020 AgroExpo. The AgroExpo Planning Committee would like to thank the exhibitors, sponsors, partners and everyone who planned to attend this year's event for their commitment to agriculture.

While we are disappointed that we will not be able to meet in person this year, we are excited to introduce the 2020 AgroExpo Virtual Farm Tour (VFT). The AgroExpo VFT will provide opportunities to experience in-field learning from the comfort and safety of your home, as we continue to maintain and monitor show plots throughout the show grounds. The AgroExpo Team will join forces with exhibitors to create an educational series to help growers discover and evaluate cutting-edge ideas, techniques and strategies from the most innovative companies in Michigan agriculture.

Watch for the AgroExpo VFT itinerary coming within the next few weeks. The AgroExpo Team is pivoting its considerable energy and enthusiasm to creating an informative, lively and worthwhile virtual experience for partners and growers. We will share the full itinerary on many media platforms.

For the most current updates on the AgroExpo VFT, please visit www.theagroexpo.com or follow us on Facebook at facebook.com/theagroexpo/.

Thank you for your support,

AgroExpo Planning Committee
